READY TO ROLL AUTO GATES

Enter and Exit your property with ease and in style.

Enhance your entrance

Regala 'ready to roll' gates allow you to upgrade your security and enhance your entrance in just a few simple steps.

Super easy installation

The technical part is already done for you. Automation preassembled and tested in factory. Simply fix gate to footing.

Patented chassis system

Enables gate, drive motor, support posts, hardware, accessories to be pre-mounted and pre-set prior to delivery.

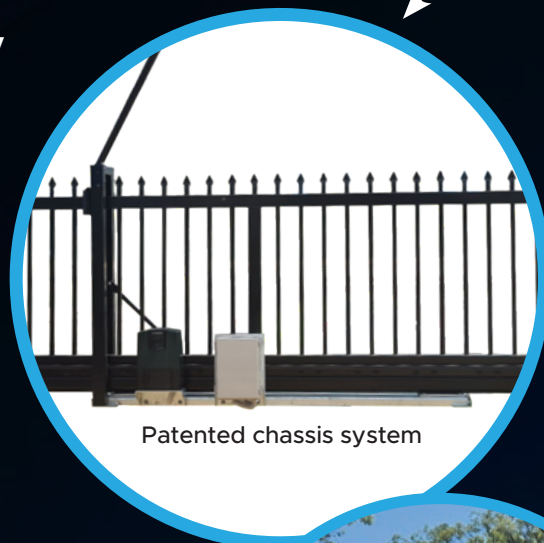

Cantilever design

Gate supported by cantilever footing enables gate to traverse across opening without requiring any ground track.

Only 2 footings

Layout drawings provided to confirm footing set out. DIY or use your local builder to construct footings.

Patented chassis system

Cantilever design –
no track across driveway
